

COVID-19 Resource Guide

This resource guide was created after our initial virtual information about the virus and its particular impact on older adults and persons with chronic conditions. We will continue to add resources to this guide after our upcoming weekly sessions.

Join the UofL Trager Institute for our weekly **Virtual Info Sessions** on COVID-19

Every Tuesday from 10:00 am - 11:00 am

 - For academics & researchers: creating a PubMed alerts

“You can set up PubMed alerts to receive emails as new articles are published that meet your search criteria. Just click "Create alert" under the search bar, and fill out your preferences for delivery. You will need a My NCBI account, which are free to set up and not tied to your UofL affiliation status.
